EDUCATION

Bachelor degree of electrical engineering
2013-2019
Philadelphia University Jordan

OBJECTIVE

I look forward to personal and professional growth that I will attain through work during these forthcoming years. In conjunction to my well-rounded education, ability to adapt to environments and my eagerness to learn, I hope to be an individual that has positive impact on their community. I am willing and prepared to welcome all that is to come.

EXPERIENCE

**Jul 2018 - Sep 2018 - University internship at
M. A. Abu Eishah & Brothers Contracting Co.**

Site engineer assistant :

- 1) Designing and editing of basic electrical design of the building
- 2) Addressing safety factors regarding the electrical designs
- 3) Makes provision for earthing pits.
- 4) Calculating the size of cable scheduling and the routes it is going to take
- 5) Ensuring protection systems are in place over all electrical units
